DESCRIPTION OF COURSE

The Nurse Aide Training Program is designed to instruct the student in the knowledge and skills needed to provide basic care for patients in the long-term care setting. The student who completes this course is eligible to state test. Because this is a skills based course, classroom, clinical and laboratory attendance are mandatory.

STUDENT LEARNING OUTCOMES

Following completion of the course, the student will be able to:

- Define the role of the nurse aide in long term care.
- Discuss the role of communication in health care.
- State and demonstrate the principles of medical asepsis and standard precautions.
- Identify and demonstrate the principles of safe patient care.
- Identify patient rights and promote patient independence.
- Discuss and demonstrate basic nursing care skills correctly.

TEXTBOOK, MANUALS, REFERENCES, AND OTHER READINGS

The school provides textbooks to all students on a borrowed basis in order to keep the cost of the program down. Replacement fee for lost or stolen textbooks is \$35. Workbooks are available to purchase for study purposes. Textbooks are to be returned in good condition on the final day of class. Failure to do so will result in collection action against you.

GENERAL INSTRUCTIONAL METHODS

Lecture, discussion, demonstration, simulation

STANDARDS AND METHODS FOR EVALUATION

Methods and Standards of Evaluation:

The student must: 1) achieve at least 70% of the total course points (140 points); 2) earn 70 of 100 points on the final exam; 3) satisfactorily complete the clinical experience; and 4) complete all make-up assignments to pass the course.

1. Class Points are as follows:
Four Exams = 100 Points
Final Exam = 100 Points

ATTENDANCE POLICY

Attendance/Tardiness Policy: In order to comply with federal and state regulations, attendance during class is mandatory and students are expected to arrive at the start of class. Students who miss class, lab, and/or clinical will be required to complete the make-up of this time. Federal and state regulations require that any missed time be made-up hour for hour. There will be a \$25 fee per day assessed for any needed make-up day.

Students must complete all make-ups within 60 days of the last day of class to receive a certificate of completion from the state (state regulation). If make-up days are not completed within these 60 days you will be required to re-enroll with a new full payment.

STUDENT CODE OF CONDUCT

Students are expected to participate in class and clinical with high standards of integrity, respect and responsibility. Any disruptive behavior, disrespect for instructors or peers, violation of laws or regulations relating to patient safety will constitute immediate dismissal from the program. The student will not be entitled to a refund of the program fee.

INCLEMENT WEATHER OR OTHER EMERGENCIES

When inclement weather conditions occur students will be notified by email of any cancellations.

Students who miss a class because of weather-related problems with the class is held as scheduled are responsible for reading and other assignments as indicated in the syllabus. If a

laboratory or examination is missed, contact the instructor as soon as possible to determine how to make up the missed exam or lab. Remember! It is the student's responsibility to keep up with reading and other assignments when a scheduled class does not meet, whatever the reason.
